VISITORS TAKE HARD FOUGHT
GAME BY SCORE OF EIGHT
TO FOUR.

Elk City Woodmen won from the local team by a score of 8 to 4. H. Frost, twirled for the visitors and the kind of balls he delivered seemed to be out of season to the treemen of this vicinity who refused to recognize them. In fact they were in no way connected with them.

Roark took the leading role in the home talent play where occupying the center of the stage he was urged repeatedly by the effervescent visitors. Huges who occupied the right wing landed on him three times in four chances. Cornelius leaned against a home run hit which slightly outshone his previous three batters.

C. Vam also galloped around the bases after piling out the ball about as far as the setting sun.
Elk City ball fans have sent out a fast team of clean young fellows who yesterday showed a trained adaptability to connect with the ball and who gave an occasional exhibition of some fast field work. The visitors clearly won their game and also confided that they had saved their best pitcher for today when they will battle with the City Leaguers. Walter Crossett umpired satisfactorily.

CELLAR TEAM IMPROVED LAST
OPPORTUNITY TO BE PEN-
NANT PROSPECTS.

The worm has turned. The down trodden Sorvians yesterday severely kicked the haughty powers in the slats. Its a long road that has no turning and yesterday afternoon while jauntily proceeding on their Santa Fe route toward the pennant the Monogram flier was derailed by the bushwhacking cellar champs, the casualties being 3 to 2.

Doyle was at the throttle but did not heed the frantic signals of conductor Baird who hung far out of the ventilating window of the caboose waving the order to go a head.

Senior Faller with his outlaw band driven from rock to craig, and then all the way back again to make sure he hadn't missed any or them had at last taken a stand on the level field just east of the city where his reckless followers had torn up the track and lay in wait for the fast Monogram flier. After standing the crew in line with their hands waving in the ozone they proceeded to frisk them for all the valuables which they possessed. Nine valuable hits were taken from Doyle which he prizes very highly. In his hand bag was secreted a pass which was also taken. R. J. Wallis was forced to walk the plank and although he was fanned three times his batting average showed no signs of life.

Jammed in the smoker aboard the train were a bunch of Woodmen who had slipped out of the local camp to labor on the extensive road work which the Monogram road is surveying toward the pennant peak. These foreigners put up a surprisingly good resistance against the onslaught of the outlaws and egged on into the other fellows fray by conductor Baird, who continued to shout orders from the rear end caboose, did most of the damage to the hold ups. Irish Crotty, one of the most daring of the outlaws was hit three times by Alsep twice by Tyler and once by Small. Campbell Wallis believed in the "Safety First" motto of the road for after hitting the same Crotty severely he made a home run. It's better to be a live catcher than to die on bases.

After pilfering the train for nine hits, one transportation and stealing four bases, the outlaw band took to the high woods with enough provisions to last for about a week. A Praetorian posse headed by Sheriff Neely and a Woodmen posse led by deputy Crossett are in hot pursuit. A troubled sky looked down with sorrow upon the devastation created and a crippled band of Monogram survivors limping into Amarillo spoke volumes for the ferocious daring of the outlaws.

PRÆTORIANS AND WOODMEN
TO OPEN DAY'S PLAY

At 2 p. m. today the Praetorians and Woodmen will play the first game of the double header with Elk City. This is a scheduled City League game and will have a material influence on the development of the winner in the pennant race.

Should the Praetorians win they will be tied for first place with the Santa Fe team, while the Woodies will do the Siamese twin act with the cellar champ Mazdas. Should the Woodmen win, smiles will adorn the classic features of the Monograms while the Mazdas will continue to stay alone out in the tall and uncut. It will be a god game fought with intense desire to lick the other fellow and with intense interest to the following of the individual teams.

No stant eyed opinions of balls and strikes will be accepted by either side.

Comiskey Day at Dubuque.

DUBUQUE, Ia., Aug. 1.—This was "Comiskey Day" in Dubuque, when half the men, women and children of the city turned out to do honor to Charles Comiskey, owner of the Chicago club of the American league and one of the most prominent figures in organized baseball. Mr. Comiskey began his baseball career in Dubuque and has ever since retained an interest in the city and its affairs. The particular occasion for today's demonstration in his honor, was the raising of a 10-foot flagpole which he presented to the New Dubuque Municipal Athletic park.

Dr. E. A. Johnston has moved his office to rooms 3 and 4 Puckett building adjoining telephone building.

CITY LEAGUE WILL ATTEMPT TO HANDLE ELKS

Elk City versus the City Leaguers is the program for today and it seems to be a good one. Yesterday this band of Oklahoma Elks took the local Woodmen into camp by a score of 8 to 4, so today they will be pitted against the best talent of the league. If the visitors deliver the same class of goods they had in stock yesterday Amarillo fans will see a close game. The success of any team depends to a great extent on the pitching staff and Elk City seems to be well provided having striven the following twirlers to select from, Corliss Vam, R. F. Hughes, S. Vam, and H. Frost. Larry Poyle will float the pill across the rubber for the Leaguers and if the Elks can connect with his benders, Amarillo fans will doff their hats to them. Campbell Wallace will stand behind the rubber and collect Doyle's donations to the visiting team.
